STRONGFIELD, SASKATCHEWAN – Gardiner Dam Terminal Ltd. (GDT Ltd.), a co-venturer with Viterra Inc. in Gardiner Dam Terminal Joint Venture (“GDT JV”), has announced its sixth consecutive dividend to shareholders. The \$10.00 per share is payable as a return of capital to both A and B shareholders for the 12-month period ending October 31, 2009.

Consistent performance in both the grain-handling and crop input business segments of GDT JV led to record net income and record return of capital to shareholders. According to Shawn Graham, General Manager of GDT JV, “We are delivering on our mission of dedication to the success of producers, shareholders, and the larger community.”

GDT JV is also pleased to announce the opening of its full-service Crop Input center at Tullis, Saskatchewan. “Producer interest and purchases have been extremely positive in early operations at this new location. We remain committed to offering products and services at all of our locations that bring value to our existing and new customers’ business interests.” says Shawn Graham, General Manager of GDT JV.
