

## **LIVE, WORK, And PLAY in the Lake Diefenbaker Destination District**

Gardiner Dam Terminal (GDT) is a joint venture between local area producers and Viterro Inc. located in central Saskatchewan. GDT operates an inland grain terminal located between the towns of Strongfield and Loreburn as well as two crop input retailers located near Broderick, SK and at Tullis, SK (between Lucky Lake and Birsay). The terminal is a 17,000 tonne facility which cleans to export standards and ships 112-car unit trains.
