

*LIVE, WORK, And PLAY* in the Lake Diefenbaker Destination District

We are accepting applications for:  
**Plant/Cleaner Operator - Strongfield, SK**

Gardiner Dam Terminal (GDT) is a joint venture between local area producers and Viterra Inc. located in central Saskatchewan. GDT operates an inland grain terminal located between the towns of Strongfield and Loreburn as well as two crop input retailers located near Broderick, SK and at Tullis, SK (between Lucky Lake and Birsay). The terminal is a 17,000 tonne facility which cleans to export standards and ships 112-car unit trains. Reporting to the Grain Operations Manager, the Plant/Cleaner Operator will be responsible for the day to day operations of grain handling and cleaning of the facility.

**Key responsibilities:**

- Quality/grade assessment of on farm grain samples and incoming grain deliveries.
- Buying, blending, shipping of grain inventories to specification.
- Cleaning grain inventories to export and domestic specifications.
- Provide friendly/quality customer service.
- Optimization of facility storage and segregation.
- The successful candidate will be responsible for maintaining the standards and established procedures of the ISO9002 and HACCP management systems.
- Assisting the Grain Operations Manager and the Maintenance Supervisor as instructed.
- Assisting with NH3 delivery and service

**Qualifications:**

- Team-oriented, self-starter
- Strong organization and time-management skills.
- Minimum of Grade 12 education with preference given to candidates with 3 years experience in grain elevator operations and grain grading or an equivalent combination of relevant post-secondary education and experience.
- Experience operating grain cleaning equipment would be an asset.
- 1A drivers' license would be an asset.

**Deadline for Applications:**

- November 27, 2009

**GDT offers a competitive compensation and benefit package.**

**Please submit your cover letter, resume and driver's abstract to:**
